Jim:

Forwarded this to you since action was requested by Mr. [redacted] and Hal isn't available. Hal noted that we probably would want to discuss with Mike before it went forward.

Bob:

LOOKS LIKE THIS COULD MEAN
ON THE LINE OF A LOT OF WORK
IF WE PICK UP THIS PROGRAM.

DOES IT MAKE ANY SENSE
TO YOU. YOUR COMMENTS
PLEASE! TELL US WE CAN
DISCUSS WITH MIKE -

Remarks:

Mike:

I would appreciate receiving comments from the appropriate people in Logistics concerning C/ISAS' recommendation re a change in responsibility for monitoring the Agency's copier business.

Remarks:

Hal:

The attached is another try incorporating some thoughts that we kicked around last week. The essential understanding must be that we do without the professional slot providing management accepts the level we attempted to describe; i.e., some work on the part of RMO's and support from the DD/A level if we get into sticky situations.

Discussed with [redacted] He informally concurs with this approach.
